I'll bug Marvin Billups again;

But if push comes to shove and we need all \$600K County share from HOST instead of Walldorff's old Parks bond funds, we'll figure out how to make it work

We really need to verify that funding is in place. I have no desire to bloody myself if funding has been removed and the issue is mute.

Dave, were you able to verify with Parks Dept. the old Dist. 2 Walldorff funding?

If not, see if Parks has any problem with our using some of the new 2006 Parks Bond trail money towards this (since it looks like they have more than needed for the 2008 planned South River segments)

Has the funding for SPT Creek Trail been verified? It was \$250 HOST, \$350 Park Bond at one time. I know you spent acquisition money but I need to know what's remaining. I do not want to bleed for this project if sufficient funding is not in place.
